

Pazzo @ Vino Nostrum is jovial, adventurous and proudly quaint.  
Our wines come from hand-picked artisan wineries,  
many of them imported independently.  
One can find classical wines from our big-time favorites  
like Burgundy or Bordeaux  
combined with great selection of more adventurous wineries  
mainly from Italy arriving to us by great friends at Vino Nostrum.  
What ties them all is an utmost respect and love  
towards their region and terroir.

## HOT STUFF

### FRENCH PRESS COFFEE 125ml 2.50

Did you know that French Press was invented in 1929 and has changed very little since then? Its classic well-engineered design is perfect to capture the soul of different coffee beans. All that in just 4 minutes!

#### WEST JAVA, FRINSA ESTATE, INDONESIA \*

**Farmer: Wilden Mustofa**

Wilden and his wife Atieq are growing coffee on Java islands, more known for excellent teas. This rather young estate from 2011 has quickly gain reputation with their coffees representing elegant tea like qualities. Mild acidity combined with chocolate, lingonberry and green tea notes.

#### LAS TERRAZZAS DEL PISQUE, EQUADOR \*

**Farmer: Arnaud Caussee**

Arnaud is one of those dreamers and above all, passionate persons in this world, who had the firm idea that he could grow the best coffees of the world in Ecuador. This is a coffee from high altitude in a cloudy forest under the shade of indigenous cedars and banana trees. Result – champagne-like elegance, round coffee.

#### INGA APONTE, COLOMBIA \*

**Farmer: Narino Indian Tribe**

Narina Inga community is the descendant of the ancient and widely known Incas. During the period of conquest, they remained isolated in the high mountains, which became their natural refuge. It's high elevation and proximity to the Galeras Volcano, which provides nutrient rich ash for the soil, translates into the cup as incredible sweetness and complexity. A stone fruit sweetness and chocolate lingering finish create an exceptionally balanced cup.

## TEA ALMIGHTY

All our teas are grown in harmony with nature. Drinking living tea opens hearts!

**PU ERH, 2010 JING GU GONG TING, YUNNAN, CHINA** pot 7.00

Jing Gu garden is tended lovingly by its participants. Despite its young age you have the powerful animalic notes of older Pu Erh. The taste of brewed tea penetrates the body with a pungent and pure taste and aroma.

**BLACK TEA, WILD DIAN HONG, YUNNAN, CHINA \*** pot 4.00

Allow yourself to immerse in the primary forest. More than 50 years old trees give soft and rich black tea with the mystical and wild flavors of Yunnan forest.

**GREEN TEA, EN SHI YU LU, JAPAN \*** pot 4.00

This is a tea with a history from the 6<sup>th</sup> century. Only one picking in early spring makes the delicate yet intense refreshing palate. The tea is rich in selenium that is good for your health. This is extra green tea with distinct floral sweetness and pleasant aftertaste that will surprise you cup after cup.
